

o College Planning in Belknap  
Council Meeting  
Minutes  
April 10, 1990

Bill Gibson called the meeting to order with all but Gladys Rapaport and Alice Friedman present.

We discussed dues for next year. Pat Keating moved that annual dues continue at \$150 per year. A non-participant membership be \$10. If one registered for one semester \$85, the same person for a second semester separately would be \$75. Motion seconded and voted. It was agreed that moderators would pay the same dues and that in general visiting study groups was not to be encouraged.

Course offerings will be out in June and will include phone numbers of moderators. The input meeting has paid off.

There will be a message from the Council in the next Newsletter, probably in June. The purpose for a permanent club room was again discussed. It should have good parking, office, lounge and meeting rooms. It is possible that the new building at Hampshire College might provide for us. Carl has written to Applewood about their building.

The next meeting will be on Tuesday, May 1

Meeting adjourned.

Respectfully submitted,  
Lucy McAfee, Sec.

Bill will work on a letter to the membership,  
We will investigate the reproduction services available  
thro the colleges. (photo copying)

Judy suggested an ad hoc transition committee. Should  
it be the Council? Gladys, Lucy & Joan were suggested  
as a Search Committee for a coordinator.

We should have a four drawer file.

Meeting was adjourned.

Respectfully submitted,  
Lucy McAfee, Sec.
